Coordinates:

N 55°53' 40.03"

E 12°50' 18.19"

Bed and Breakfast: www.alltigliantan.se

Recommended ferry: TT-Line Travemünde or Rostock to Trelleborg
(from 75.-€/115.-€ each way online) www.ttline.com

Distance from Trelleborg to Landskrona approx. 75km.

Travel requirements for dogs: Pet Passport with rabies antibody test and tapeworm treatment within 10 days before entering Sweden.

Rabies antibody test info:

A veterinarian must take a blood sample no sooner than 120 days after the latest rabies vaccination, and before the period of validity of the vaccination expires. The point is to show that the animal has obtained an approved number of rabies antibodies, which means at least 0,5 IU per milliliters.

Welcome to Landskrona!!!
